Prompted by continual change, may-isle are proud to promote their new range.

### New Freedom Range

All our ramp products come with optional infill to suit everyone

May-isle have embraced and created a new and improved modular ramping system which is more adaptable to future change, more environmentally friendly, safe, secure and more importantly still has the same advantages as our old faithful ramp product of the past.

### Metal Mesh

Our commitment is to our customers, to offer a courteous service with best advice.

Created to compliment our complete range, ideal for communal access, quick and effective.

Honest, reliable, friendly service and advice.

Services Include:-

- Estimating & Detailed Drawings
- Planning & Building Warrant Applications.
- Manufacture & Installation.

### Slab Infill

Again ideally suited for communal access, schools, businesses etc.

Fully coated non slip slab infill, blends well into already paved areas.
